The Librarian's Corner

We are pleased to announce the addition of Joyce Wright to the Ricker Library team. Joyce comes to us from the Advancement Office where she worked successfully with active and retired Library faculty. Prior to that Joyce was the Head of the Undergraduate Library for many years. She will be providing assistance on Tuesdays and Thursdays with reference and bibliographic instruction. We are very much looking forward to benefiting from Joyce's expertise in a multitude of areas.

A hearty welcome to Joyce!

BHA

The Bibliography of the History of Art (BHA), a core database for art history, is now being provided free of charge by the Getty Research Institute at:

http://www.getty.edu/research/conducting_research/bha/

Ricker Library has previously accessed this resource via OCLC Firstsearch. The BHA link on our homepage will direct you to the new site.

Note: The BHA Database is no longer being updated as the Getty Research Institute seeks a new arrangement to ensure the future of this important resource.
