

8/13/5

Agriculture  
Plant Pathology Department  
Subject File, 1942-2000

RESTRICTION: Folders concerning Promotion and Tenure in Box 4 and 6 are restricted. Permission to view these folders must be obtained from the University Archivist and the Plant Pathology Department or its successor department.

Box 1:

Photographs of APS Regional Meeting at Lincoln, Nebraska with list of names, June 27-28, 1949;  
June 25-26, 1959

Nematode research notes, D.W. Chamberlain, 1956-58

Chronological list of "Department Firsts", 1984

Faculty photographs, identified, 1965

Ries and Klopmeier report on E.S. Hull's fireblight research, 1983

Graduate student photographs, identified, 1970-74

History of Plant Pathology, 1951-87

Jedlinski and Linn, seminar tapes, 1971-74

Laboratory Dedication, Davenport Hall, photos, ca. 1965

Nematodes - publications and research notes by M.B. Linford, 1951-83; also list of Linford's publications to 1960

"The Early Days of Plant Pathology Extension in Illinois; Local, State, and National Meetings" - bound volume of programs and correspondence, 1942-61 by M.B. Linn

Nematology Investigations, annual reports, 1966; 1966-67; 1967-68; 1969-70; 1970-71; 1970-72

Newsletter information, 1973-76

Plant pathology, early history of, 1918-24; 1931; 1947-51; 1957-59

Plant pathology department, history of, 1958-79

Development of phytology program (ca. 1955-57), 1956-78

Twenty-five years at University of Illinois, 1984

Plant pathology "genealogies" at Illinois, 1987

Plant pathology, Comprehensive Review Reports, 1981; 1988

Plant virus infection, thesis and article by Henryk Jedlinski, 1955-58

Secretaries photographs, 1970-81

Box 2:

Seed corn logos, ca. 1965

Soybean cyst nematodes, D.I. Edwards, 1957-75

Soybean disease control clippings, 1945; 1957

Soybean disease investigations, annual reports (by D.W. Chamberlain), January 1966-July 1967;  
1967; 1968; 1970; other soybean disease publications, 1966; 1967; 1973

By Lynn E. Gray, 1967; 1968; 1969; 1970

Teaching and graduate study in plant pathology, 1959

Trees on Quadrangle, 1980

Actinomycetes, Intl. Committee on Taxonomy of, David Gottlieb, 1958-67  
Actinomycetes, Subcommittee on, 1958-70  
Agriculture College, 5-Year Plan, 1981  
Alumm Letters for Newsletter (3 folders), 1990-92  
American Phytopathological Society Chronology, 1968-72  
    History, 1974  
    North Central Meeting, Jan. 1966  
Anderson, Harold W., Class Grade Books, 1922, 1938-40, 1946-54  
Annual Report, 1979-80  
Apple Harvest, 1974  
Archives, 1970-79  
    Moore's Rural New Yorker, May 30, 1863  
    Hessel brink on Apple Canker, 1902  
Bonn University Graduate Student Excursion, 1987  
Building, Turner Hall, 1969-92  
Bylaws, Agricultural Economics, 1975

Box 3:

China, 1981-84  
Clippings, 1954-60  
Courses & Curriculum, 1970-84  
Department Committees List, 1976-90  
Dix Retirement Party, 1981  
Enrollment Committee, 1975-76  
Extension Head Search Committee, 1980  
Farm Buildings, 1975-83  
Financial Summaries, 1987-91  
Five Year Plan (2 folders), 1982, 1985  
Fire Alarm Reports, 1984-87  
Gamma Sigma Delta, 1969-82  
Genetic Engineering and Biotechnology, 1982-85  
Gottlieb Lecture, 1992  
Graduate Enrollment Lists, 1955-70  
Greenhouses, 1965-91  
Guest Book, 1972-89  
Himelick & Schoenweiss Retirement Party, 1989  
History of Plant Pathology, Seminar, 1955-56  
    Plant Protectant Chemicals, 1972  
    L.E. Card, Co., 1975  
Horticulture 100, Diseases of Crops, ca., 1958  
Incubator  
Long Range Plan, 1971-82  
National Initiative for Agricultural Research, 1989

Strategic Agricultural Management Center, 1987  
 Newsletter Notes, 1974  
 Pathogen Geneticist Position, 1975-85  
 Plans, 5 & 10 Year, 1968-81  
 Plant Disease Handbook, 1977

Box 4:

Plant Pathology, Annual Summary of Accomplishments, 1987  
 Department Changes, 1949-77  
 Headship Advisory Committee, 1971  
 History (2 folders), 1946-81
