Subject: Weekly Update #21: COVID-19 Vaccine
Date: Monday, December 21, 2020 4:48:58 PM

Holiday Greetings, Colleagues!

Today, Chancellor Jones sent out a [Massmail about COVID-19 Vaccines](#). We encourage you all to read through it as we have.

It's important to note that campus units will be notified when they are eligible to receive a vaccine. As soon as the Library is contacted, we will reach out to all of you. As the email asks, please be patient as others on the front lines and those who are most susceptible receive vaccinations first. If you feel you meet either of these criteria, you should consult your health care provider.

It is our goal to communicate any additional information about a vaccine to our Library family as soon as we have it.

As we approach winter break and throughout the holiday season, take good care of yourselves and continue to take precautions to stay healthy. We hope you find time to relax and recharge as well.

Best,

HEATHER MURPHY
