---

Colleagues:

The [Library's homepage](#) has been updated today to reflect our services and offerings for the fall semester. The CURRENT SERVICES tab has been replaced with the STUDY ROOMS tab (which was on hiatus for much of the pandemic). In preparation for the first day of instruction on August 23, Library units should make sure their live hours are displaying accurately under the LIBRARIES & HOURS tab. Units should also remove their custom messages on their homepages about services and hours if their hours are up-to-date in the sidebar hours widget.

Please see the attached FAQs document regarding Library implementation of campus guidance. This has been added to the [COVID-19 Information for Staff page](#) for reference as well.

As always, if you have any questions, please reach out to us.

Best,

**HEATHER MURPHY**
