Colleagues:

Please see the one correction below in yellow highlight.

~~~

Chancellor Jones sent a "Transition to Illinois App for COVID-19 Building Access Status" Massmail last week (on December 2). Please be sure to read that important email and download the Illinois App. This app replaces the Safer Illinois App.

The Illinois App is not needed for Library access; however, the Illinois App or the COVID-19 Boarding Pass, is required for entering some of the departmental buildings a few of our libraries are housed in.
